Opens
Lianlian should be asleep now...
Hmpf, since you won't tell me what "chick" means I'll look it up on the internet by myself! I can rely on myself, I don't need anyone's help!
creep~
creep~
Where's my ipad? Oh ipad?
Where did Lianlian hide it?
Oh I've looked everywhere where could it be?
It couldn't be under his pillow?!

Feel around~

Ah! Found it!

Let go. What business do you have in my room in the middle of the night, brat?
Already framed, Master Qiaoyan
Slam!
KYA ?!

Turns on

Is this what you were looking for? Because I wouldn't hand it over?

Lianlian, Gunji made a mistake....
Oh a mistake?

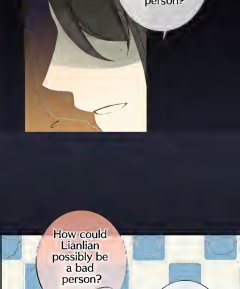
Everything you said is true. Now can you pretty please give Gunji the ipad?

Pokes
You're a little thief just pretending to be pitiful! Well I won't fall for it this time!
Gimmie my ipad gimmie my ipad!!!
What is it you want? I don't understand.
I'm just teasing you~
Breathlessly!
You DO understand! Don't feign ignorance!
Alright, it's time for baby to go back to bed.
Eh?!
Raises

You'll get it tomorrow night if you don't sneak into my room again. Otherwise prepare to be spanked!
I want my ipad! Give it give it!!
Confiscated! You're just gonna have to deal with it!
Tucks in
Now, be a good child and quickly go to sleep!
Why aren't you sleeping?
Heartbroken
I can't sleep with you staring at me
Fine then, you're so finnicky!
Grabs hand
Lianlian,

Actually there's something I really want to tell you.

you suddenly appearing on my balcony was really a great thing!

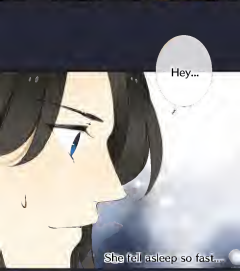


At that time you helped me, weren't you afraid I could be a bad person?

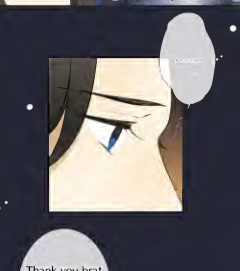
How could Lianlian possibly be a bad person?
How could you know I wasn't a bad person?

Intuition! You were kind in my heart I knew you had to be a good person
Yawn~

Naïve. Besides I wasn't even very nice to you?
Then from now on you should treat me better... Snzzz...



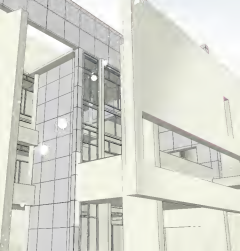
Hey...
She fell asleep so fast...



.....

Thank you brat, but if you knew what I've done in the past,

you'd be afraid and wouldn't want to hold my hand anymore



This should be the place.

Professor,
Mr. Yuchi is here, he's downstairs right now.
Please send him up.

Welcome.

I remember you said you'd be able to assist me.

Of course, I'm the only one who can help you here.
Right now you urgently wish to return to your original time? Am I right?
This person certainly knows a lot...
Can you really send me back?
See for yourself if it's true or not.
However, I have a condition.
Condition? What do you want?
It's nothing in poor taste.
you just need to
give me the little girl that's always around you as the condition of your return.
